

> 3-section

Our best selling loft ladder. Combines durability, functionality and flexibility.

This three section sliding ladder has friction guides that provide smooth opening and closing. The non-slip D-shaped rungs are kind to the feet and there is a handrail for safer climbing.

- ✔ Suitable for heights up to 3.0m
- ✔ Friction-free operation
- ✔ D-shaped rungs
- ✔ Trap door not included
- ✔ 150kg work load capacity

> 2-section

Popular loft ladder with D-shaped rungs, two sliding sections and friction guides to provide smooth opening and closing.

Handrail included for safer climbing.

- ✔ Suitable for heights up to 2.66m
- ✔ Friction-free operation
- ✔ D-shaped rungs
- ✔ Trap door not included
- ✔ 100kg work load capacity
